

**LAY EQUALIZATION MEMBERS OF 2024 ANNUAL CONFERENCE**

Required by the 2016 Discipline or selected by conference formula for Lay/Clergy equalization.

*When a person is eligible to be nominated for equalization purposes in multiple categories, the primary category is listed. Some persons who would be eligible to serve as equalization through these categories are already serving as the elected lay member of their charge and thus are not listed here for election.*

*Code after the name refers to the order of priority in the Discipline (D) or Conference formula (E)*

These persons having been notified by the Conference Secretary are now nominated for election by the Annual Conference.
