Making the Annual Campaign Your Own

September 19, 7:00 p.m.

Our leader for this webinar is Ken Sloane, Director of Stewardship & Generosity at United Methodist Church Discipleship Ministries. Will your church be planning an annual campaign this year? Maybe the pandemic moved your folks out of the routine of the annual campaign, and maybe this year is the time to innovate and make the campaign more personal than a pre-packaged, off-the-shelf experience! A campaign can be an important piece, but it is just a piece of what could (and should) be a larger stewardship strategy for your church.
