

Jurisdictional Pool Nominations

Each Annual Conference and missionary conference in the US receive recommendations from a committee composed of the Bishop and members of the General and Jurisdictional Conference delegation to be elected to be submitted to a jurisdiction pool. Many in this pool will not be asked to serve because these names are added with others from other conferences in the jurisdiction and there are a limited number of places to serve. Members of General and Jurisdictional delegation are automatically part of the pool. This year's nominations are as follows:
